

# Are you or someone you know experiencing changes in memory?

## Early intervention can help.

Bright Pathways is a program specifically designed for people with Mild Cognitive Impairment, Early Alzheimer's disease, or other early memory related disorders. If you are concerned about changes in memory, or have been recently diagnosed, please call us.

Join others who are experiencing similar changes and learn new tools to help you live with memory loss.

### Program Benefits

- Improved mental fitness/memory retraining
- Improved knowledge about memory loss
- Physical and mental stimulation
- Development of skills for living with memory loss
- Support services & resources
- Safe, secure environment
- Opportunities for socialization

# BRIGHT PATHWAYS

A Program for People Experiencing Early Memory Loss and Their Loved Ones

## Please call 702-368-2273.

This program has a nominal session charge and is FREE to qualified applicants. Bright Pathways is supported by Nevada Senior Services and a generous grant from the Brookdale Foundation.
